RE: Application # 10/581188

To Whom It May Concern:

The charge for the above Application number was placed on our Deposit Account # 060916 on January 14, 2010, in the amount of \$220. I believe this charge was in error.

This case is listed under Foley & Lardner LLP. This case was also filed with a non-Finnegan customer number. It looks like this may have been a typo when entering charges for the client attached to the above Application number.

Please have this charged removed from our deposit account record and notify Shaun Robinson at the e-mail address above or physical address below.

I can be contacted during business hours at 202-216-5182.

Sincerely,

Shaun Robinson
